definition includes, but is not limited to the following: any paper, writing, chart, memo, note, fax, e-mail, letter, inter office memo, report, study, statement, map, log entry, drawings, sketches, photographs, pictures, videotape, motion picture, tape recording, computer generated or stored matter and any other verbal or pictorial representation of any event or idea which has transpired, whether meant for communication to others or for personal need. If any document has been prepared in more than one copy, or if more than one copy has been prepared, and the copies are not identical, or have undergone alteration or modification, each non-identical copy is a separate document which is requested to be produced. If draft or preliminary copies of any documents have been made each such draft or preliminary copy of any document constitutes a separate document which is requested to be produced.

As used in these requests for production, the terms "subject inquiry," "incident," "accident," "injury," "plaintiff's injuries" mean the occurrences on or about December 30-31, 2019 when SCANDIES ROSE sank.

As used in these requests for production, "vessel" means F/V SCANDIES ROSE.

As used in these requests for production, "Claimant" means any of the crew on the vessel at the time she sank.

As used in these requests for production, "owner" means the parties (or either of them) that are attempting to limit liability in this action.

As used in these requests for production, "manager" means Mattsen Management, LLC.

With respect to any document withheld from production, under claim of privilege or for any other reason, you are requested to identify:
